Hey Suzanne,
Well sounds like there has been some sort of confusion. Did Mita assign this to you before today?

Michele

Mita – I just passed the hard copy to Kelly, who will be reviewing, but I wanted to give a heads up that we will be seeking legal support on this:

The Charleston Corps District has sent a silviculture exemption determination to EPA for activities on former US Representative Henry Brown's property in SC. The SC Forestry Commission has sent the Corps a letter detailing the Brown site is not in compliance with SC BMPs.

Could you assign someone for Kelly to work with?
